### 2. Procedure

A procedure is an established method or manner by which the Bylaws, and Policies of Kiwanis International are implemented. (5/83)

2. (Formerly “Vision Statement” – now vacant) (4/14)

### 3. International Board (4/14)

**a. Purpose and Accountability:** The Board is accountable to the membership for the organization’s performance through all of its activities. The purpose of the Board, working solely on behalf of the membership, is to assure that Kiwanis International achieves its strategic objectives. (1/08)

**b. Governing Style:** The Board will govern with an emphasis on:

- (1) Outward vision,
  - (2) Encouragement of diversity of viewpoints,
  - (3) Strategic leadership more than its own administrative detail,
  - (4) Clear distinction of Board and Executive Director roles,
  - (5) Collective rather than individual decisions,
  - (6) The future rather than the past or present;
  - (7) Proactive rather than reactive; and
  - (8) Open, efficient, and productive meetings.
- (1/08)

### c. Code of Ethics and Conduct

To ensure the confidence of clubs and members and the reputation of Kiwanis International among the public and to fulfill the Board’s role of stewardship and leadership to the organization, Kiwanis International expects all members of the International Board to conduct themselves according to the highest ethical, professional, and moral principles. Each Board member and candidate for any Board office shall annually acknowledge, by signature, that he/she has read, understands, and accepts personal responsibility to adhere to the standards of conduct stated in this policy. (4/12)

Each Board member shall, to his/her utmost ability:

- Personally comply with all applicable laws and regulations, including but not limited to those regarding audits, conflict of interest, whistle blowers, disclosure and integrity of information, board governance, executive director compensation, document retention and destruction, and anti-bribery. - Make responsible decisions for the future of the organization, ensuring Kiwanis resources are prudently managed and expended;
- Practice transparency and accountability to clubs, members, and the public;
- Not use the name of Kiwanis or their Board position for personal benefit or advantage;
- Help create a cooperative and productive working environment at Board meetings and other Kiwanis functions;

- Shall not nominate or second the nomination of any candidate for a contested election at any level of the organization. (4/17)

(4/12)

Alleged violations of these standards of conduct shall be reported to the Executive Director, who shall inform the Executive Board Committee. If the Executive Director and Executive Board Committee determine that further investigation is warranted, the process shall be conducted in the same manner as violations of conduct unbecoming, including the right to defend him/herself, as defined in the International Bylaws. After the process is completed, any Board member found to have violated these standards of conduct shall be subject to disciplinary action as determined by the Board, up to and including suspension of duties or removal from office. (4/12)

## **11. Definition of ‘Conduct Unbecoming’**

### **A. Conduct Unbecoming a Member of the Kiwanis Family (4/13)**

“Conduct unbecoming a member of the Kiwanis family” is defined as any conduct that: (4/12)

- Is incompatible with the best interests of the public or of members of the Kiwanis family; or (4/12)
- Tends to harm the standing of Kiwanis in the local or global community. (4/12)

Note: For conduct unbecoming purposes, the Kiwanis family is defined in the Kiwanis International Bylaws as members of Kiwanis clubs, Aktion Clubs, Circle K clubs, and Key Clubs. (4/12)

### **B. Conduct Unbecoming a Kiwanis International Officer (4/13)**

In addition to the basic definition of ‘conduct unbecoming a member of the Kiwanis family’ as shown above, the definition is expanded for Kiwanis International officers (Kiwanis International Board Members and District Governors) to further include any of the following offenses committed while serving in office: (4/12) (4/13)

1. Engaging in profanity or making derogatory statements or engaging in offensive behavior based on race, color, gender, age, disability, economic status, religion, or national origin. (4/12)
2. Engaging in unwanted touching at any time. (6/99)
3. Creating a hostile atmosphere. (6/99)
4. Being convicted of any felony or misdemeanor involving moral turpitude. (4/12)

## **12. Club Member Accused of ‘Conduct Unbecoming’**

- a. If an allegation of ‘conduct unbecoming a member of the Kiwanis family’ is made against a member of a Kiwanis club, the member’s club shall follow the process generally described below, as further defined in Kiwanis International procedure. If the member belongs to more than one club, the club associated with the ‘conduct unbecoming’ shall act. (10/12) (4/13)
- b. The president of the club (or immediate past president, if the president is accused) shall immediately request from Kiwanis International a copy of the detailed procedures to be followed by the club and shall appoint a special investigator who will conduct an investigation and produce a report summarizing the findings. The Board shall consider the investigation report and determine whether to hold a hearing on the matter. The President shall notify the accused member of the investigation results and whether the Board intends to pursue the allegation(s). If a hearing is held, the Board shall then meet and report its decision whether the accused member did or did not engage in ‘conduct unbecoming’ and, based on that decision, the appropriate disciplinary action, if any, as follows: informal counseling, a verbal reprimand, written reprimand, suspension from office or club membership, or removal from office or club membership. The determination of the discipline should be based on the seriousness of the unbecoming conduct. All disciplinary actions shall be documented in club records. (10/12) (4/13)
- c. If the accused member is also a district officer or a Kiwanis International officer and the ‘conduct unbecoming’ appears to have been committed in his/her capacity as an officer, or if it is impossible to determine in what capacity the ‘conduct unbecoming’ was committed, the matter

shall first be submitted to the Kiwanis International President or the district governor, in that order, as appropriate, who shall determine the capacity and either begin an investigation at the International or District level or refer it back to the club level to investigate and decide. (4/13)

- d. If either the accused member or the investigator believes some part of the investigation was faulty or the determination was incorrect, either party has the right to appeal in writing the Board's decision to the club membership. The appeal shall be heard at a special meeting of the club members in good standing. The decision of the club membership to uphold, reverse, or change the Board's decision(s) shall be final. (10/12) (4/13)
- e. If, at any point during the 'conduct unbecoming' process, possible criminal wrongdoing is discovered, the matter shall be reported to the proper authorities. (10/12)
- f. All materials, facts, and information related to the investigation, determination, and appeal (if any) shall be kept confidential at all times by any parties or persons involved in any part of the process. (10/12)
- g. The club shall retain all official records on the matter (Allegation Report, Investigation Report, Hearing Record, Board Report, and Appeal Record if any) in a confidential file as long as required by local applicable law, and shall send a copy to Kiwanis International, to be retained in a confidential file. (10/12) (4/13)
- h. A club shall discipline any member whose conduct is determined to be 'conduct unbecoming a member of the Kiwanis family,' or else the club shall be considered out of compliance with acceptable standards of Kiwanis International and may have its charter suspended or revoked as provided in the Kiwanis International Bylaws. (10/12) (4/13)
- i. If the member was disciplined by the club in any way for 'conduct unbecoming' and if he/she is also: a member of another club(s); a district officer; or a Kiwanis International officer, the other club(s), district, or Kiwanis International may take separate disciplinary action against the member as each deems appropriate. (4/13)

(See also Procedure 344 – Club Member Accused of Conduct Unbecoming.)

### **13. District Officer Accused of 'Conduct Unbecoming'**

- a. If an allegation of 'conduct unbecoming a member of the Kiwanis family' is made against a district officer (other than the Governor, who is also a Kiwanis International Officer – see separate policy), allegedly committed while he/she was engaged in his/her duties as a district officer, the process for addressing such allegation shall be generally as follows, as further defined in Kiwanis International procedures. (4/13)
- b. The governor (or immediate past governor, if the Governor is accused) shall immediately request from Kiwanis International a copy of the detailed procedures to be followed by the district and shall appoint a special investigator who will conduct an investigation and produce a report summarizing the findings. The Board shall consider the investigation report and determine whether to hold a hearing on the matter. The Governor shall notify the accused member of the investigation results and whether the Board intends to pursue the allegation(s). If a hearing is held, the Board shall then meet and report its decision whether the accused officer did or did not engage in 'conduct unbecoming,' and, based on that decision, determine the appropriate disciplinary action, as follows: counseling, a verbal or written reprimand, or suspension or removal from office. (4/13)

- c. If either the accused officer or the Investigator believes some part of the investigation was faulty or the determination was incorrect, either party has the right to request in writing reconsideration by the Board. The Board's decision on the matter shall be final. (4/13)
- d. If, at any point during the 'conduct unbecoming' process, possible criminal wrongdoing is discovered, the matter shall be reported to the proper authorities. (4/13)
- e. All materials, facts, and information related to the investigation, determination, and reconsideration (if any) shall be kept confidential at all times by any parties or persons involved in any part of the process. (4/13)
- f. The district shall retain all official records on the matter (Allegation Report, Investigation Report, Hearing Record, Board Report, and Reconsideration Record if any) in a confidential file as long as required by applicable law, and shall send a copy to Kiwanis International, to be retained in a confidential file. (4/13)
- g. If the district officer was disciplined by the district for 'conduct unbecoming,' the club(s) the member belongs to may take separate disciplinary action against their member, as the club deems appropriate. If the disciplined district officer is also an officer of Kiwanis International or another district, Kiwanis International or the other district may take separate disciplinary action against their officer as well. (4/13)

(See also Procedure 226 – District Officer Accused of Conduct Unbecoming.)

#### **14. Kiwanis International Officer Accused of 'Conduct Unbecoming'**

- a. If an allegation of 'conduct unbecoming' a member of the Kiwanis family is made against a Kiwanis International officer (which includes a district governor), allegedly committed while he/she was engaged in his/her duties as a Kiwanis International officer, the process for addressing such allegation shall be generally as follows, as further defined in Kiwanis International procedures. (4/13)
- b. The International President (or Immediate Past International President, if the President is accused) shall immediately consult the detailed procedures to be followed and shall appoint a special Investigator who will conduct an investigation and produce a report summarizing the findings. The Board shall consider the investigation report and determine whether to hold a hearing on the matter. The President shall notify the accused member of the investigation results and whether the Board intends to pursue the allegation(s). If a hearing is held, the Board shall then meet and report its decision whether the accused officer did or did not engage in 'conduct unbecoming' and, based on that decision, determine the appropriate disciplinary action, as follows: counseling, a verbal or written reprimand, or suspension or removal from office. (4/13)
- c. If either the accused officer or the Investigator believes some part of the investigation process was faulty or the determination was incorrect, either party has the right to request in writing reconsideration by the Board. The Board's decision on the matter shall be final. (4/13)
- d. If, at any point during the 'conduct unbecoming' process, possible criminal wrongdoing is discovered, the matter shall be reported to the proper authorities. (4/13)

- e. All materials, facts, and information related to the investigation, determination, and reconsideration (if any) shall be kept confidential at all times by any parties or persons involved in any part of the process. (4/13)
- f. Kiwanis International shall retain all official records on the matter (Allegation Report, Investigation Report, Hearing Record, Board Report, and Reconsideration Record if any) in a confidential file as long as required by applicable law. (4/13)
- g. If the Kiwanis International officer was disciplined for 'conduct unbecoming,' the club(s) the member belongs to may take separate disciplinary action against their member, as the club deems appropriate. If the disciplined Kiwanis International officer is also a district officer, the district may take separate disciplinary action against the officer as well. (4/13)

(See also Procedure 103 – Kiwanis International Officer Accused of Conduct Unbecoming.)

### **15. Conflict of Interest**

In order to protect its interests as a tax-exempt organization, Kiwanis International, when contemplating a transaction or arrangement that might benefit the private interest of or that might result in a possible excess benefit transaction for an International Officer (Kiwanis International Board Members and Governors) or a member of a committee with Board-delegated responsibilities or powers, Kiwanis International shall exercise due diligence to assure no conflict of interest exists and/or it shall take appropriate disciplinary and corrective action, as defined in procedure, if, upon investigation, a conflict of interest is determined to exist. This policy and accompanying procedure is intended to supplement, but not replace, any state and federal laws applicable to nonprofit and charitable organizations. (4/07) (6/10)

International Officers must represent unconflicted loyalty to the interests of Kiwanis membership. This accountability supersedes any conflicting loyalty such as that to advocacy or interest groups and membership on other boards or staffs. (1/08) (6/10)

International Officers must not use their positions to obtain employment at Kiwanis International for themselves, immediate family members, or associates and must wait for three years after most recently serving in office to apply for employment for any paid service within Kiwanis International. (1/08) (6/10)

### **16. Criminal History Background Checks**

To ensure the highest standards of leadership and protection for youth, Kiwanis International requires clear criminal history background checks for particular individuals and strongly encourages them for others as stated in this policy. (1/11) (4/15)

Successful completion of the background check (a "clear check") is based on verification that none of the convictions stated in Procedure or similar thereto have been determined for that person. All background checks shall be reviewed and evaluated by the Executive Director or designee and determined to be clear or not clear. (4/10) (4/15)

Anyone subject to action as a result of a background check conducted by Kiwanis International shall have the right to appeal such action, as detailed in Procedure. The International Board shall have final authority on the matter. (4/10) (4/15)

An individual may receive a copy of his/her background check by requesting it in writing. (1/11)

Background checks are valid for a period of two years. All relevant persons who have not had a clear criminal history background check conducted and verified by Kiwanis within the past two years at any given time are subject to a new check. (4/10) (1/11)

(See also Procedure 197 – Criminal History Background Checks, which covers: Responsibility for Cost; Convictions That Cause Ineligibility; Discipline; and Appeal Process, as well as Procedure 127 which covers appointment of the Appeals Committee.)

**a. Kiwanis International (4/15)**

Kiwanis International requires a clear criminal history background check for the following individuals, which must be conducted and verified by Kiwanis International in accordance with Kiwanis International Procedure. Kiwanis International recognizes only its own background check process for these persons; other background checks are not accepted: (4/10) (4/15)

- (1) **Kiwanis International Officers:** A clear background check is necessary prior to assuming any Kiwanis International office, including District Governor. Persons without a clear check may not hold office. (4/15)
- (2) **Candidates for Kiwanis International offices:** A clear background check is necessary by the required deadline for announcing candidacy for any candidates for any Kiwanis International Office, including District Governor. Persons without a clear check may not be elected. (4/15)
- (3) **Adults at Kiwanis International Youth Events:** A clear background check is necessary for all adults (Kiwanis members and non-members) registered for, participating in, or staying overnight at any youth event Kiwanis International organizes that involves direct interaction between adults and youth under age 18.\* A clear check must be verified prior to arrival at the event. Persons without a clear check may not attend the event. (4/10) (4/15)

Aktion Club members are exempt from criminal history background checks. However, their chaperones/caregivers are not exempt. (4/15)

The Kiwanis International Board shall be advised if a background check pertains to an officer or officer-designate and either: (1) indicates a problem or concern that requires further investigation; or (2) is determined to be not clear and thus causes automatic denial of the right to hold office. In either case, the Executive Director or designee shall notify such person of the not-clear check. (4/10) (4/15)

**b. Districts (4/15)**

- (1) **Governors-elect and Vice-Governors:** Kiwanis International requires clear criminal history background checks for District Governors-elect, Vice-Governors, and any other district office in direct line of succession to become Governor, as well as candidates for such offices. These checks must be conducted and verified by Kiwanis International in accordance with Kiwanis International Procedure. (4/10) (4/15)
- (2) **Chairs and Committees for Service Leadership Programs:** Kiwanis International will require criminal history background checks to be conducted and verified by Kiwanis International for all district chairpersons and committee members for all Service Leadership Programs. Persons without a clear background check may not serve as a

district chairperson or committee member for Kiwanis Service Leadership programs. (4/13) (Rev. 4/16, effective 10/16)

- (3) **Risk Manager and Youth Protection Manager:** Kiwanis International requires a clear criminal history background check for the district Risk Manager and district Youth Protection Manager. This applies to all districts within North America. These checks must be conducted and verified by Kiwanis International in accordance with Kiwanis International Procedure. Persons without a clear background check may not serve in either position. (Rev. 4/16, effective 10/16)
- (4) **Adults at District Youth Events:** Kiwanis International strongly recommends that districts conduct criminal history background checks for all adults (Kiwanis members and non-members) registered for, participating in, or staying overnight at any youth event organized by a Kiwanis district that involves direct interaction between adults and youth under age 18. (4/12) (4/15)
- (5) **Other District Positions:** A clear criminal history background check may be required by a district, at the discretion of its board, for specific district offices or positions or for other adults working with youth as part of district programs or events. If a background check is later required by Kiwanis International, Kiwanis International recognizes only its own background check process, unless the district's process has been approved by Kiwanis International. (4/12) (4/15)
- (6) **Criteria and Service Provider:** All districts conducting criminal history background checks are required to follow Kiwanis International's criteria when determining if the checks are clear. To assure high standards and consistent results throughout the organization, districts are encouraged to use the same service provider used by Kiwanis International. (4/12) (4/15)

All background checks conducted by districts shall conform to local laws and other applicable requirements, if any. (1/07) (4/15)

Districts requiring background checks shall first clearly define and publicize the criteria, process, and ramifications in district policy and/or procedure. Consult Kiwanis International for recommended guidelines. (4/12) (4/15)

- (7) **Acceptance of Background Check Results from Districts:** When someone is required to have a clear criminal history background check "conducted and verified by Kiwanis International," Kiwanis International may accept criminal history background check results provided by a district as "clear" if the following criteria are met and verified in advance: (10/13)
  - The service provider used by the district must first be approved by Kiwanis International. The district shall contact Kiwanis International's Risk Management Department for complete details on securing approval. If the district's provider changes its process or criteria, new approval must be secured. (10/13)
  - The district must assure Kiwanis International in writing that, when determining the background check to be "clear," it adhered to the same criteria used by Kiwanis International, as stated in Kiwanis International procedure. (10/13)
  - Nothing herein prevents Kiwanis International from requesting the current procedures from any provider at any time. (10/13)

Implementing a background check process brings additional risk and liability to the district due to the need to secure members' personal information and the possibility that a check will not 'catch' all criminal history. Districts that conduct their own background checks and therefore assume this risk are strongly encouraged to put proper processes and safeguards in place in advance and including appropriate insurance, if applicable. (10/13) (4/15)

**c. Clubs** (4/15)

- (1) **Club Advisor to SLP:** Kiwanis International requires clubs to have a clear criminal history background check for any club member serving as an advisor to any Service Leadership Program club. The check must be conducted and verified by Kiwanis International. Persons without a clear background check may not serve as the advisor. Approved background checks shall be valid for no more than two years. Advisors shall acquire a new background check upon their initial appointment to the position. (1/07) (Rev. 4/16 and 4/17, effective 10/16)  
*Proviso: This requirement will be delayed until October 1, 2017. for SLP club advisors in Asia-Pacific and Latin America.*
- (2) **Adults at Club Youth Events:** Kiwanis International strongly recommends that clubs conduct criminal history background checks for all adults (Kiwanis members and non-members) registered for, participating in, or staying overnight at any youth event organized by a Kiwanis club that involves direct interaction between adults and youth under age 18. (4/12) (4/15)
- (3) **Adults Working Directly with Aktion Club Members:** Clubs are strongly encouraged to ensure confidential background checks for all adults who will be working directly with Aktion Club members or who may not have undergone a background check. (4/13) (4/15)
- (4) **Other Club Positions:** A clear criminal history background check may be required by a club, at the discretion of its board, for specific club offices or positions or for all club members and prospective members. (4/12) (10/13)

All background checks conducted by clubs shall conform to local laws and other applicable requirements, if any. (1/07) (4/15)

## **19. Government Relations**

Activity with various national governments presents opportunities for support and collaboration between Kiwanis International and government entities. Kiwanis' grass roots structure, community presence and non-political voice for children and youth make the organization attractive to democratic governments. - d. Kiwanis International will avoid any public position that it views as being partisan, favoring one party or candidate over another in any election, or otherwise politically divisive. (4/13)

## **20. Compliance with Anti-Bribery Statutes**

As part of Kiwanis' commitment to conducting its business according to the highest ethical, professional, and moral principles Kiwanis International and its member clubs, affiliates, and subsidiaries shall comply with all applicable laws, ordinances, regulations, rules and other requirements concerning anti-bribery rules. Consequently, all Kiwanis International Board members, employees, agents, consultants, and contractors engaged by Kiwanis (collectively

referred to below as “interested parties”) shall comply with all applicable laws and regulations regarding prohibitions against bribery, including the U.S. Foreign Corrupt Practices Act (“FCPA”). (6/2016)

To promote compliance with this policy, Kiwanis adopts the following key compliance criteria and processes: (6/2016)

- Adequate oversight by high-level personnel
- Due care in delegating substantial discretionary authority, including compliance with applicable laws, regulations, and Kiwanis processes for selecting agents and other third parties and monitoring their compliance with this policy
- Effective communication to all interested parties
- Reasonable steps to achieve compliance, including systems for monitoring, auditing, and reporting suspected wrongdoing without fear of reprisal
- Consistent enforcement of compliance standards including disciplinary measures
- Reasonable steps to respond to and prevent further similar offenses upon detection of a violation

(6/2016)

Interested parties with questions or concerns regarding this policy or wishing to report any potential violation or concern should contact the Kiwanis International Executive Director. However, if the potential violation or concern relates to the Executive Director, interested parties should contact the Kiwanis International President. (6/2016)

Kiwanis will make other materials concerning compliance available as appropriate to all interested parties. Kiwanis shall also conduct appropriate training concerning these issues for interested parties handling relevant matters at regular intervals, as may be required. (6/2016)

Failure to adhere to this policy may result in discipline by the Kiwanis International Board. (6/2016)

## **21. Document Retention and Destruction**

The Kiwanis International Board charges Staff to maintain a comprehensive document retention and destruction process for both paper and electronic records relating to Kiwanis International operations in compliance with accepted standards and practices for the subject area the documents or records pertain to (i.e., employment, finance, tax, legal, board actions, etc.). (10/13)

Because it is a crime in the U.S. and many other nations to alter, cover up, falsify, or destroy any document or records with the intent of obstructing current or potential legal proceedings, all Kiwanis International Board members, Staff, and volunteers should especially be aware of and comply with applicable laws regarding the preservation and provision of documents in the event of legal proceedings. (10/13)

## **22. Protection of Whistle Blowers**

The Kiwanis International Board charges Staff to maintain a policy that provides an avenue for employees to raise concerns (“whistle blowers”) with the assurance that they will be protected from reprisals or retaliation for raising those concerns in good faith. (10/13)

- d. **IRS Designations:** The on-going success of the relationship between Kiwanis International and the Foundation depends upon the complete understanding by both organizations of the implications of their IRS designations as 501(c)(4) and 501(c)(3) organizations (respectively). (1980) (10/96)

## 8. **Corporate Partnerships**

### a. **Definitions**

- (1) **Vision Partner.** The Vision Partnership is a year-round, high-level relationship for companies who wish to showcase their involvement with and support of the Kiwanis mission. This category exclusive relationship offers a company the highest designation with Kiwanis, with rights to engage and market to Kiwanis club members and run promotional campaigns to the general public. As a Vision Partner, each company involved will have the opportunity to select one year-round marketing platform (i.e. One Day, Key Club, etc.) and will be considered the lead partner of their sponsored platform. (4/12)

Vision Partners will have access to Kiwanis events and conventions along with networking opportunities with members/clubs. Partners will be recognized by Kiwanis prominently in all program elements including: public relations, membership mailings and inserts and on the Kiwanis website. (4/12)

- (2) **Service Leadership Program Co-Sponsor.** The Service Leadership Program (SLP) Co-Sponsor level provides companies with a year-round opportunity to reach a specific target market through a SLP defined as Kiwanis K-Kids, Kiwanis Builders Club, Key Club International or Circle K International. Company will receive category exclusivity to the program and has the right to make a pre-approved offer to SLP members or audience. Access to related member lists through mailing insertions will be provided at this partnership level accompanied by partner identification on program publications, websites and conventions. (4/12)
- (3) **Promotional Partner.** Company agrees to utilize Kiwanis-themed promotional campaign to drive awareness of Kiwanis and its mission. (4/12)

**Note:** Advertising by corporate partners is not directed within this section. See Procedure 161 – Advertising. (4/12)

**b. Guidelines**

The ongoing process of identifying, developing and maintaining positive relationships with corporations is a key strategy to help Kiwanis further its mission. Relationships with corporations can offer enormous opportunities to reach thousands of people important to Kiwanis' ability to fulfill its mission and can provide resources toward this end in the form of cash, in-kind product/services or promotion. (4/12)

Outlined below are guidelines for all corporate relationships with an emphasis on partnerships that may receive any degree of marketing benefit from Kiwanis International. (4/12)

- (1) **Corporate partnerships must align with Kiwanis International's mission and preserve constituent trust.** Kiwanis International will refrain from associating with companies that have the potential to damage or detract from Kiwanis' image because of the nature of the companies' products, services or reputation. For example: (4/12)
  - The company's products or services must be compatible with and complement Kiwanis' mission and values. (4/12)
  - The company must have a high degree of integrity, a strong corporate reputation and a track record of maintaining a high level of product or service quality. (4/12)
  - The company must demonstrate ethical business practices and a positive image. (4/12)
  - Kiwanis International will not directly endorse a corporate partner's products or services. Since Kiwanis is not in the business of product testing, no relationship may directly endorse a company's product or service. (4/12)
  - The relationship must be consistent with IRS (U.S.) regulations as well as with the Council of Better Business Bureaus (CBBB) Standards for Charitable Solicitations and the Attorney General's Guidelines for Cause Marketing, or other similar standards in other Kiwanis nations. (4/12)
- (2) **Corporate partnerships must substantially benefit Kiwanis International, its program(s) and/or initiative(s).** All relationships must directly support Kiwanis International. Kiwanis establishes a maximum 10% percent of fees applicable to administrative costs based on accepted philanthropic industry standard. If Kiwanis approves fundraising promotions, all monies raised should go to Kiwanis program(s) and/or initiative(s), and an additional administrative fee would be applied to cover any out-of-pocket costs to Kiwanis International. (4/12)

- (3) Corporate partnerships must answer to Kiwanis International's priorities.** All corporate-supported program(s) and/or initiative(s), even those co-created with a company, must conform to Kiwanis' priorities. (4/12)
- (4) Kiwanis International must have final approval on all content and/or programming.** Kiwanis International executive director will decide on which event(s), program(s) and/or initiative(s) a corporation may tie into and/or create and will have final approval over all content. (4/12)
- (5) Kiwanis International will not offer corporate partners organization-wide category exclusivity.** To protect Kiwanis International's overall revenue sources, category exclusivity will be limited to a select commitment level, event, program, initiative or company's promotional or fundraising campaign. Exclusivity should not extend to corporate donors or Kiwanis vendors. (4/12)

**c. Approval Process**

The Kiwanis International Board Committee on Programs and Partnerships will approve (or deny) the Corporate Marketing Partnership packaging and targeting strategy and the implementation of both. Designated corporate relations staff has the authority to pursue partnership opportunities and negotiate terms within the parameters of Kiwanis International's Corporate Partnership Guidelines and the pre-approved packaging and targeting strategies. All corporate partnership agreements, once approved by the Board Committee, will require the final approval by the Kiwanis International Board of Trustees. **103 - KIWANIS INTERNATIONAL OFFICER ACCUSED OF CONDUCT UNBECOMING**

**103.1 - Allegation and Investigation**

**A. Allegation:** If any club member or Kiwanis International officer observes or has knowledge of\* behavior by a Kiwanis International officer that he or she believes constitutes 'conduct unbecoming a member of the Kiwanis family' as defined in Kiwanis International policy and which may have been committed in his/her capacity as a Kiwanis International officer, the member shall report such allegation in writing (hereinafter referred to as the "Allegation Report") immediately to the International President. (4/13)

However, if the International President is the subject of the allegation, then, throughout the entire 'conduct unbecoming' process, whenever it is stated that the International President shall normally act, the Immediate Past International President shall act instead. (4/13)

The Allegation Report shall include as much detail as possible regarding the time, place, persons, actions, etc., and how the behavior relates to the accused officer's duties for Kiwanis International. If the behavior does not relate to those duties, the allegation will be redirected to the accused officer's club along with a copy of the Allegation Report. (4/13)

\*Note: "Has knowledge of" may include a nonmember making a club member or International officer aware of behavior or actions by a Kiwanis International officer, in which case, such allegation shall be submitted by the club member or International officer who has been made aware of it. (4/13)

**B. Allegation Process:** Upon receipt of an Allegation Report, the President shall follow the steps outlined in this procedure. (4/13)

**C. Investigator:** Within seven (7) days of receiving the Allegation Report, the President shall appoint a special investigator, which may be a single individual or a committee (hereinafter referred to as "the Investigator"). The Investigator shall be composed of disinterested member(s) of Kiwanis club(s) (that is, those without bias on the allegations or for/against the officer personally) and shall not include any members of the Kiwanis International Board. In the event the President believes no Kiwanian has the necessary skills to adequately investigate the subject matter, the President may select a non-Kiwanian as the Investigator. If the Investigator charges a fee for his/her services or if the investigation itself involves some costs (such as fees for requesting records, etc.), then such fees/costs must be approved by the Board. The Investigator will represent Kiwanis International throughout the entire investigation, determination, and reconsideration process (if any). (4/13)

- D. Investigation Process and Initial Notice:** Within fourteen (14) days after being appointed, the Investigator shall endeavor to gather enough information to determine if the allegation is substantive enough to warrant investigation. If so determined, the President or designee shall send written notice to the accused officer of the allegation, a copy of the process to be followed, and the possible outcome, and the investigation shall continue more fully, including a reasonable attempt to interview the accused officer and other relevant persons. (4/13)
- E. Investigation Reports:** The Investigator shall provide a progress report to the President within thirty (30) days of appointment. A final written report of the Investigator's findings (hereinafter referred to as 'the Investigation Report') shall be made by the Investigator, signed by all persons who comprise the Investigator, and submitted to the President within 30 days after the initial progress report (no later than sixty (60) days after the appointment of the Investigator), unless there are extenuating circumstances. The Investigation Report shall include an outline of the investigation as well as (1) whether the investigation finds in favor of the accused; or (2) whether the Investigator finds the matter can be resolved without a hearing; or (3) a recommendation of the charges and related specifications to be made against the accused officer. (4/13)
- F. Charges and Specifications:** A charge sets forth the general offense the accused officer is alleged to have committed. A specification states specifically what the accused officer is alleged to have done which, if true, constitutes an instance supporting the charge. Charges and specifications must be carefully worded to make no broader allegation than intended or can be supported. An accused officer must be found 'guilty' of at least one specification in order to be found 'guilty' of the related charge, and an accused officer must be found 'guilty' of at least one charge before a penalty can be imposed. (If necessary, refer to Robert Rules, Section 63 – Investigation and Trial, for more information and examples of charges and specifications.) (4/13)

### 103.2 - Disclosure and Confidentiality

- A. During Investigation:** During the investigation, the President shall not disclose any information regarding the investigation to the public or to any other Kiwanian, including the Kiwanis International Board, until the investigation process is complete, except that the President may report to the International Board only that an allegation has been received and an investigation is being conducted, without disclosing the name of the accused officer or details of the investigation. (4/13)
- B. After Investigation:** Once the investigation is complete, the President may disclose information regarding the investigation only to the International Board for a hearing on the matter and to any Kiwanis Staff members who have a need to know, but not to the public or to any other Kiwanian. (4/13)
- C. General:** All materials, facts, and information related to the investigation, determination, and reconsideration (if any) shall be kept confidential at all times by any parties or persons involved in any part of the process. The person presiding over each step should remind all participants of the need to maintain confidentiality. (4/13)

### 103.3 - Criminal Wrongdoing

If at any time during the investigation, the Investigator discovers criminal wrongdoing or what appears to be criminal wrongdoing, it must be reported immediately to the President, who is then obligated to report the matter to the proper authorities. If the President does not

act, then the Investigator is obligated to report the matter to the proper authorities. In any case, the process regarding conduct unbecoming shall proceed to conclusion. (4/13)

#### **103.4 – Resignation**

An accused officer may resign from office or may resign from club membership at any time during the conduct unbecoming process, and the Kiwanis International Board and/or the club (respectively) may or may not accept the resignation; however, after investigation, charges and specifications are made against the accused officer, then the International Board is obligated to continue the hearing, determination, and discipline processes through to completion. (4/13)

#### **103.5 – Board Hearing**

- A. Referral to Board:** After receiving the Investigation Report, the President shall refer it to the International Board to determine whether to proceed with a hearing. A special Board meeting for this purpose shall be held within seven (7) days after the matter is referred to the Board, and shall be conducted in executive session. (4/13)
- B. Notice of Hearing:** Within seven (7) days after the special Board meeting, the President or designee shall send notice to the accused officer of the investigation results, including charges and specifications, and whether the Board intends to pursue the allegation(s) and proceed with a hearing. If a hearing is to be held, the accused officer shall have the option to say nothing or to admit or deny the allegation(s). If admitted, the officer shall tender his/her resignation from office. If denied, the hearing shall determine if the allegation(s) are true. A date for a hearing shall be set in consultation with the accused officer, to be held as soon as reasonably possible but no later than thirty (30) days after the accused officer receives notice of the allegation. The date shall be set when at least a quorum (which is a majority) of the Board members can be present. (4/13)
- C. Temporary Suspension:** If the Board intends to proceed with a hearing, the accused officer may be temporarily suspended from office, pending the outcome of the proceedings. (4/13)
- D. Hearing:** A special meeting of the Board, with at least a quorum present, shall be held to conduct a hearing. The only persons allowed to attend the hearing are Kiwanis International Board members, the accused officer, the Investigator, any representatives or counsel for the accused officer and Kiwanis International, and Kiwanis Staff as needed. Witnesses are permitted only during their own testimony. The President shall preside; however, if the President is the subject of the allegation or wishes to decline, the Board shall determine who presides. If a Board member is the subject of the allegation, he/she shall be counted in determining the number needed for quorum, but will not be allowed to be present during deliberations or to vote at any point in the process. (4/13)

At the hearing, the Investigator shall present evidence on behalf of the Kiwanis International, and the accused officer shall have the opportunity to present evidence in his/her defense. If the Investigator is a committee, any member of the committee may represent Kiwanis International at the hearing. Kiwanis International or the accused officer may present evidence through testimony of witnesses. Witnesses shall not be required to swear-in. Either side may question the other or any witnesses. The accused officer may testify in his/her behalf, either in person or in written form without being present. The accused officer also shall have the right of representation at the hearing by the person of his/her choice and/or by legal counsel, at the officer's own expense. Legal

counsel may be engaged by the Kiwanis International Board to provide advice to the Board; however, the role of such legal counsel is entirely separate from the role of the Investigator. Counsel for Kiwanis International or the accused may be a non-Kiwanian.

If it is determined that additional time is needed to present evidence not available at the initial hearing, the Board may adjourn the hearing and reconvene it later. (4/13)

If the accused officer fails to appear for the hearing, it shall proceed without him/her.

**E. Hearing Record:** A written record of the hearing (hereinafter referred to as ‘the Hearing Record’) shall be made. The hearing also may be recorded for transcription purposes.

The Hearing Record shall include:

- Date, time, and location of the hearing;
- Names of all persons present or participating;
- Nature of allegation(s), including charges and specifications
- Evidence, including testimony of witnesses;
- A summary of the essential content of all discussions;
- Any findings determined during the proceedings;
- Any motions made or votes taken.

The Hearing Record shall be reviewed and adopted by the Kiwanis International Board in an executive session at the next special meeting of the Board on the subject (see next step) and retained by the Executive Director. (4/13)

### 103.6 –Determination and Discipline

**A. Determination:** Within seven (7) days of conclusion of the hearing – or within no later than thirty (30) days, if extenuating circumstances exist – the Board shall hold another special meeting in executive session (attendance limited to Board members) to consider the charges and specifications against the accused officer. Each of the specifications, and then the charge, is read, opened to debate, and voted on separately, although the several votes can be collected on a single written ballot. If the accused is found guilty of one or more of the specifications but not of the charge, a lesser charge may be moved and voted on. In each case, a majority vote of those present and voting is necessary. If the accused is a member of the Board, he/she shall not have a vote on the matter. (4/13)

**B. Discipline:** If the accused officer is determined to have engaged in conduct unbecoming as alleged by at least one of the charges, he/she shall be disciplined by the Kiwanis International Board as provided in policy. (4/13)

**C. Board Report:** Within seven (7) days of conclusion of the special meeting, the Board shall produce a written report of its findings, conclusions, and decision(s) (hereinafter referred to as “the Board Report”), which shall become part of the official record on the matter. The Board Report shall include a copy of the Hearing Record, as reviewed and adopted by the Board. A copy of the Board Report shall be provided immediately to the accused officer and the Investigator. Clubs and districts shall be informed of the Board’s decision(s) on the matter, but other details from the Board Report shall remain confidential. (4/13)

### 103.7 – Reinstatement to Office

If the accused officer was suspended from office during the ‘conduct unbecoming’ process, but charges are not substantiated, the suspension shall be terminated and the accused reinstated to office. (4/13)

### 103.8 – Reconsideration

- A. Request for reconsideration:** Within thirty (30) days of the Board Report being provided to the accused officer and the Investigator, either party may request reconsideration by the Board. Such request must be made in writing to the President and must state the specific reason(s) for reconsideration. Either party may request reconsideration of either the Board’s finding that ‘conduct unbecoming’ did or did not occur or the resulting disciplinary action. Reconsideration may **not** be used to “re-try” the allegations against the accused and no new facts that were reasonably accessible at the time of the hearing will be allowed. Reconsideration will be allowed only if some part of the process or facts used to determine the Board’s decision(s), the Hearing Record, or the Board Report is alleged to be faulty, incorrect, insufficient, or otherwise erroneous, or if the decision of the Board was contrary to the overwhelming weight of the evidence. (4/13)
- B. Reconsideration Process:** If a written request for reconsideration is received by the President, the Board shall call a special meeting within thirty (30) days, provided at least fourteen (14) days advance notice of the meeting is given to the accused officer. Any person who is not a Kiwanis International Board member shall be excluded from the meeting. All materials and information provided to the Kiwanis International Board shall remain confidential among those attending. At least a quorum of the Board (which is a majority) must be present at the reconsideration meeting. The President shall preside; however, if the President is the subject of the allegation or wishes to decline, the Board shall determine who presides. The materials to be considered during reconsideration shall be the Hearing Record, the Board Report, and the appellant’s basis for reconsideration. (4/13)
- C. Permitted Motions:** The only motions that may be made during the reconsideration meeting by a Board member in attendance are these: either (1) to uphold the Board’s original determination of ‘conduct unbecoming’ and resulting disciplinary action; **or** (2) to overturn the original decision. Other motions are out of order. Any motion shall require a majority vote of those present and eligible to vote to adopt. (4/13)
- D. Final Authority:** The decision of the Kiwanis International Board on the matter shall be final. (4/13)
- E. Reconsideration Record:** A written record of the reconsideration shall be made (hereinafter referred to as the ‘Reconsideration Record’), similar to that for the original hearing, and shall be reviewed and approved by the Kiwanis International Board and retained as part of the official record on the matter. (4/13)

### 103.9 – Official Records, Notification, and Separate Disciplinary Action

- A. Official Records:** Within thirty (30) days of the conclusion of all proceedings, Kiwanis International shall compile all official records on the matter (Allegation Report, Investigation Report, Hearing Record, Board Report, and Reconsideration Record if any) to be retained in a confidential file as long as required by applicable law. This provides

documentation that the Kiwanis International Board completed due diligence regarding the allegation. (4/13)

- B. Notification of Club(s):** If the Kiwanis International officer was disciplined by Kiwanis International for 'conduct unbecoming,' Kiwanis International shall send a copy of all official records on the matter to the president(s) of the officer's club(s) and each club may take separate disciplinary action against the member as it deems appropriate. (4/13)
- C. Notification of District:** If a Kiwanis International officer who was disciplined for 'conduct unbecoming' is also a district officer, Kiwanis International shall send a copy of the official records to the district governor and the district may take separate disciplinary action against the member as it deems appropriate. (4/13)

### **103.10 – Parliamentary Authority**

(In the 11th edition of Roberts Rules, see Section 63 – Investigation and Trial). In the event of any inconsistency between Kiwanis governing documents and Roberts Rules, the Kiwanis provisions shall prevail. (4/13)

## **173 – ALCOHOL GUIDELINES FOR KIWANIS CLUBS AND OTHER KIWANIS ENTITIES**

When providing alcohol at a Kiwanis event, Kiwanis clubs and other Kiwanis entities should adhere to the following guidelines. (1/13)

The preferred method is to transfer the risk by hiring a licensed entity to provide the alcohol. A certificate should be requested from the entity naming your club and Kiwanis International as an additional insured on its alcohol liability policy. When it is not possible or practical to hire a professional entity, the following steps should be taken to reduce the chance of an occurrence:

- Prevent underage service; check identification on all patrons 40 and younger. (1/13)
- Alcohol consumption must remain on the premises, with prominently displayed signs that inform attendees of this requirement.
- Entrance to the facility or event must be staffed by club members.
- Control consumption and avoid over-serving.
- Food should be readily available at the event.
- Minors at event limited to areas without alcohol.
- Enlist volunteer support in watching over the grounds.
- Consider the presence of local police.
- Be sure to check with the local municipality, state or province whether a license is required for your event. If a license is required and one is not obtained, there will be no coverage for an injury attributable to alcohol. Coverage will not be provided without a valid license.

(1/13)

The Kiwanis alcohol liability insurance coverage offered to clubs in the U.S., Canada, and the Caribbean is intended to protect the majority of those clubs that sell alcohol at an event under the following circumstances: (1/13)

- There are up to 500 participants at the event.
- The event is a one-day event.
- Alcohol receipts are less than 50 percent of the total receipts.

(1/13)

Clubs that conduct events that are outside of the above circumstances are requested to purchase primary alcohol liability for the event, with limits of at least US\$1,000,000 per occurrence. The Kiwanis insurance policy would be in excess of the event coverage. (1/13)

Coverage under Kiwanis International's alcohol liability insurance is intended to protect Kiwanis from third-party liability. No coverage is provided to club members, volunteers, or employees for their injury. (1/13)

## 226 – DISTRICT OFFICER ACCUSED OF CONDUCT UNBECOMING

### 226.1 - Allegation and Investigation

- A. Allegation:** If any club member or district officer observes or has knowledge of\* behavior by a district officer that he or she believes constitutes ‘conduct unbecoming a member of the Kiwanis family’ as defined in Kiwanis International policy and which may have been committed in his/her capacity as a district officer, the member shall report such allegation in writing (hereinafter referred to as the “Allegation Report”) immediately to the district Governor. (4/13)

However, if the Governor is the subject of the allegation, then, throughout the entire ‘conduct unbecoming’ process, whenever it is stated that the Governor shall normally act, the immediate past governor shall act instead. (4/13)

The Allegation Report shall include as much detail as possible regarding the time, place, persons, actions, etc., and how the behavior relates to the accused officer’s duties for the district. If the behavior does not relate to those duties, the allegation will be redirected to the accused officer’s club along with a copy of the Allegation Report. (4/13)

\*Note: “Has knowledge of” may include a nonmember making a club member or district officer aware of behavior or actions by a district officer, in which case, such allegation shall be submitted by the club member or district officer who has been made aware of it. (4/13)

- B. Allegation Process:** Upon receipt of an Allegation Report, the governor shall follow the steps outlined in this procedure. (4/13)
- C. Investigator:** Within seven (7) days of receiving the Allegation Report, the governor shall appoint a special investigator, which may be a single individual or a committee (hereinafter referred to as “the Investigator”). The Investigator shall be composed of disinterested Kiwanis club members from the district where the member is an officer (that is, those without bias on the allegations or for/against the officer personally) and shall not include any members of the district Board. In the event the governor believes no Kiwanian in the district has the necessary skills to adequately investigate the subject matter, the governor may select a non-Kiwanian as the Investigator. If the Investigator charges a fee for his/her services or if the investigation itself involves some costs (such as fees for requesting records, etc.), then such fees/costs must be approved by the Board. The Investigator will represent the district throughout the entire investigation, determination, and reconsideration process (if any). (4/13)
- D. Investigation Process and Initial Notice:** Within fourteen (14) days after being appointed, the Investigator shall endeavor to gather enough information to determine if the allegation is substantive enough to warrant investigation. If so determined, the governor or designee shall send written notice to the accused officer of the allegation, a copy of the process to be followed, and the possible outcome, and the investigation shall continue more fully, including a reasonable attempt to interview the accused officer and other relevant persons. (4/13)
- E. Investigation Reports:** The Investigator shall provide a progress report to the governor within thirty (30) days of appointment. A final written report of the Investigator’s findings (hereinafter referred to as ‘the Investigation Report’) shall be made by the

Investigator, signed by all persons who comprise the Investigator, and submitted to the governor within 30 days after the initial progress report (no later than sixty (60) days after the appointment of the Investigator), unless there are extenuating circumstances. The Investigation Report shall include an outline of the investigation as well as (1) whether the investigation finds in favor of the accused; or (2) whether the Investigator finds the matter can be resolved without a hearing; or (3) a recommendation of the charges and related specifications to be made against the accused officer. (4/13)

- F. Charges and Specifications:** A charge sets forth the general offense the accused officer is alleged to have committed. A specification states specifically what the accused officer is alleged to have done which, if true, constitutes an instance supporting the charge. Charges and specifications must be carefully worded to make no broader allegation than intended or can be supported. An accused officer must be found 'guilty' of at least one specification in order to be found 'guilty' of the related charge, and an accused officer must be found 'guilty' of at least one charge before a penalty can be imposed. (If necessary, refer to Robert Rules, Section 63 – Investigation and Trial, for more information and examples of charges and specifications.) (4/13)

## 226.2 - Disclosure and Confidentiality

- A. During Investigation:** During the investigation, the governor shall not disclose any information regarding the investigation to the public or to any other Kiwanian, including the district Board, until the investigation process is complete, except that the governor may report to the district Board only that an allegation has been received and an investigation is being conducted, without disclosing the name of the accused officer or details of the investigation. (4/13)
- B. After Investigation:** Once the investigation is complete, the governor may disclose information regarding the investigation only to the district Board for a hearing on the matter and to any Kiwanis Staff members who have a need to know, but not to the public or to any other Kiwanian. (4/13)
- C. General:** All materials, facts, and information related to the investigation, determination, and reconsideration (if any) shall be kept confidential at all times by any parties or persons involved in any part of the process. The person presiding over each step should remind all participants of the need to maintain confidentiality. (4/13)

## 226.3 - Criminal Wrongdoing

If at any time during the investigation, the Investigator discovers criminal wrongdoing or what appears to be criminal wrongdoing, it must be reported immediately to the governor, who is then obligated to report the matter to the proper authorities. If the governor does not act, then the Investigator is obligated to report the matter to the proper authorities. In any case, the process regarding conduct unbecoming shall proceed to conclusion. (4/13)

## 226.4 – Resignation

An accused officer may resign from office and/or may resign from club membership at any time during the conduct unbecoming process, and the district Board and/or the club (respectively) may or may not accept the resignation; however, after investigation, charges and specifications are made against the accused officer, then the district Board is obligated to continue the hearing, determination, and discipline processes through to completion. (4/13)

## 226.5 – Board Hearing

- A. Referral to Board:** After receiving the Investigation Report, the governor shall refer it to the district board to determine whether to proceed with a hearing. A special Board meeting for this purpose shall be held within seven (7) days after the matter is referred to the Board, and shall be conducted in executive session. (4/13)
- B. Notice of Hearing:** Within seven (7) days after the special Board meeting, the governor or designee shall send notice to the accused officer of the investigation results, including charges and specifications, and whether the Board intends to pursue the allegation(s) and proceed with a hearing. If a hearing is to be held, the accused officer shall have the option to say nothing or to admit or deny the allegation(s). If admitted, the officer shall tender his/her resignation from office. If denied, the hearing shall determine if the allegation(s) are true. A date for a hearing shall be set in consultation with the accused officer, to be held as soon as reasonably possible but no later than thirty (30) days after the accused officer receives notice of the allegation. The date shall be set when at least a quorum (which is a majority) of the Board members can be present. (4/13)
- C. Temporary Suspension:** If the Board intends to proceed with a hearing, the accused officer may be temporarily suspended from office, pending the outcome of the proceedings. (4/13)
- D. Hearing:** A special meeting of the Board, with at least a quorum present, shall be held to conduct a hearing. The only persons allowed to attend the hearing are district Board members, the accused officer, the Investigator, any representatives or counsel for the accused officer and the district, and Kiwanis Staff as needed. Witnesses are permitted only during their own testimony. The governor shall preside; however, if the governor is the subject of the allegation or wishes to decline, the Board shall determine who presides. If a Board member is the subject of the allegation, he/she shall be counted in determining the number needed for quorum, but will not be allowed to be present during deliberations or to vote at any point in the process. (4/13)

At the hearing, the Investigator shall present evidence on behalf of the district, and the accused officer shall have the opportunity to present evidence in his/her defense. If the Investigator is a committee, any member of the committee may represent the district at the hearing. The district or the accused officer may present evidence through testimony of witnesses. Witnesses shall not be required to swear-in. Either side may question the other or any witnesses. The accused officer may testify in his/her behalf, either in person or in written form without being present. The accused officer also shall have the right of representation at the hearing by the person of his/her choice and/or by legal counsel, at the officer's own expense. Legal counsel may be engaged by the district board to provide advice to the board; however, the role of such legal counsel is entirely separate from the role of the Investigator. Counsel for the district Board or the accused may be a non-Kiwanian. (4/13)

If it is determined that additional time is needed to present evidence not available at the initial hearing, the Board may adjourn the hearing and reconvene it later. (4/13)

If the accused officer fails to appear for the hearing, it shall proceed without him/her. (4/13)

**E. Hearing Record:** A written record of the hearing (hereinafter referred to as “the Hearing Record”) shall be made. The hearing also may be recorded for transcription purposes. The Hearing Record shall include:

- Date, time, and location of the hearing;
- Names of all persons present or participating;
- Nature of allegation(s), including charges and specifications
- Evidence, including testimony of witnesses;
- A summary of the essential content of all discussions;
- Any findings determined during the proceedings;
- Any motions made or votes taken.

The Hearing Record shall be reviewed and adopted by the district Board in an executive session at the next special meeting of the Board on the subject (see next step) and retained by the district secretary. (4/13)

## **226.6 – Determination and Discipline**

**A. Determination:** Within seven (7) days of conclusion of the hearing – or within no later than thirty (30) days, if extenuating circumstances exist – the Board shall hold another special meeting in executive session (attendance limited to Board members) to consider the charges and specifications against the accused officer. Each of the specifications, and then the charge, is read, opened to debate, and voted on separately, although the several votes can be collected on a single written ballot. If the accused is found guilty of one or more of the specifications but not of the charge, a lesser charge may be moved and voted on. In each case, a majority vote of those present and voting is necessary. If the accused is a member of the Board, he/she shall not have a vote on the matter. (4/13)

**B. Discipline:** If the accused officer is determined to have engaged in conduct unbecoming as alleged by at least one of the charges, he/she shall be disciplined by the Kiwanis International Board as provided in policy. (4/13)

**C. Board Report:** Within seven (7) days of conclusion of the special meeting, the Board shall produce a written report of its findings, conclusions, and decision(s) (hereinafter referred to as “the Board Report”), which shall become part of the district record on the matter. The Board report shall include a copy of the Hearing Record, as reviewed and adopted by the Board. A copy of the Board Report shall be provided immediately to the accused officer and the Investigator. District clubs shall be informed of the Board’s decision(s) on the matter, but other details from the Board Report shall remain confidential. (4/13)

## **226.7 – Reinstatement to Office**

If the accused officer was suspended from office during the ‘conduct unbecoming’ process, but charges are not substantiated, the suspension shall be terminated and the accused reinstated to office. (4/13)

## **226.8 – Reconsideration**

**A. Request for reconsideration:** Within thirty (30) days of the Board Report being provided to the accused officer and the Investigator, either party may request reconsideration by the Board. Such request must be made in writing to the governor and must state the specific reason(s) for reconsideration. Either party may request reconsideration of either the Board’s finding that ‘conduct unbecoming’ did or did not

occur or the resulting disciplinary action. Reconsideration may **not** be used to “re-try” the allegations against the accused officer and no new facts that were reasonably accessible at the time of the hearing will be allowed. Reconsideration will be allowed only if some part of the process or facts used to determine the Board’s decision(s), the Hearing Record, or the Board Report is alleged to be faulty, incorrect, insufficient, or otherwise erroneous, or if the decision of the Board was contrary to the overwhelming weight of the evidence. (4/13)

- B. Reconsideration Process:** If a written request for reconsideration is received by the governor, the Board shall call a special meeting within thirty (30) days, provided at least fourteen (14) days advance notice of the meeting is given to the accused officer. Any person who is not a district Board member shall be excluded from the meeting. All materials and information provided to the district Board shall remain confidential among those attending. At least a quorum of the Board (which is a majority) must be present at the reconsideration meeting. The governor shall preside; however, if the governor is the subject of the allegation or wishes to decline, the Board shall determine who presides. The materials to be considered during reconsideration shall be the Hearing Record, the Board Report, and the appellant’s basis for reconsideration. (4/13)
- C. Permitted Motions:** The only motions that may be made during the reconsideration meeting by a Board member in attendance are these: either (1) to uphold the Board’s original determination of ‘conduct unbecoming’ and resulting disciplinary action; **or** (2) to overturn the original decision. Other motions are out of order. Any motion shall require a majority vote of those present and eligible to vote to adopt. (4/13)
- D. Final Authority:** The decision of the district Board on the matter shall be final. (4/13)
- E. Reconsideration Record:** A written record of the reconsideration shall be made (hereinafter referred to as the ‘Reconsideration Record’), similar to that for the original hearing, and shall be reviewed and approved by the district Board and retained as part of the district record on the matter. (4/13)

## 226.9 – Official Records, Notification, and Separate Disciplinary Action

- A. Official Records:** The district shall retain all official records on the matter in a confidential file, as long as required by applicable law. Official records are: the Allegation Report, Investigation Report, Hearing Record, Board Report, and Reconsideration Record if any. (4/13)
- B. Notification of Kiwanis International:** A copy of all official records shall be sent to the Executive Director of Kiwanis International within thirty (30) days of the conclusion of all proceedings, to be retained in a confidential file as long as required by applicable law. This provides documentation that the district Board completed due diligence regarding the allegation, as well as a safeguard against district records being lost or destroyed at a later date. (4/13)

If a district officer was disciplined by the district for ‘conduct unbecoming’ and if he/she is also a Kiwanis International officer, Kiwanis International may take separate disciplinary action against the member as it deems appropriate. (4/13)

- C. Notification of Club(s):** If the district officer was disciplined by the district for ‘conduct unbecoming,’ Kiwanis International shall send a copy of all official records on the matter

to the president(s) of the officer's club(s) and each club may take separate disciplinary action against the member as it deems appropriate. (4/13)

- D. Notification of Other Districts:** If the disciplined district officer is also an officer in another district, Kiwanis International shall send a copy of all official records on the matter to the governor of the other district, and the other district may take separate disciplinary action against the officer as it deems appropriate. (4/13)

#### **226.10 – Parliamentary Authority**

The most recent edition of Roberts Rules of Order shall be the parliamentary authority for all procedural matters related to investigation, determination, discipline, and reconsideration (if any) for 'conduct unbecoming' which may not be specifically covered in Kiwanis governing documents, including but not limited to this procedure. (In the 11th edition of Roberts Rules, see Section 63 – Investigation and Trial). In the event of any inconsistency between Kiwanis governing documents and Roberts Rules, the Kiwanis provisions shall prevail. (4/13)

Basis:** The International Board may grant a monetary subsidy to assist the district in providing necessary service and supervision if the clubs are remotely removed from the boundaries of the district. Unless otherwise authorized by the Kiwanis International Board, the subsidy for supervision shall be limited to one visit per administrative year by a district officer to the area of the club or clubs. (6/91)
- B. Annual Grant:** Any such subsidy shall be granted only on an annual basis. The annual review of a subsidy grant shall include a detailed report from the district on the service and supervision provided and the actual cost of such incurred by the district. The continuance of any such attachment and/or subsidy shall be contingent upon an annual review and assessment of the services and supervision being provided. At the April/May meeting of the International Board, the Executive Director shall make the review and assessment and make a recommendation to the Board. (6/91) (10/91)

### **233.2 - Remotely-Located Clubs Made Part of a District**

- A. Basis:** The International Board may approve the extension of district boundaries to make certain remotely-located clubs become part of a district. In such cases, the Board may provide a subsidy to that district to help offset the additional costs of supervision and administration. (6/91)
- B. Annual Report:** Annually, such district shall report to the International Board a detailed accounting of the amount of district dues received from those clubs upon which the subsidy is based, and the cost of servicing and administering the remotely-located clubs over the average cost of the same type of service and administration for other clubs in the district. (6/91)
- C. Amount:** The amount of the subsidy will only reimburse a portion of the district costs, and when district income from such clubs warrants, the subsidy will be reduced or discontinued. (6/91)

At the April/May meeting, the International Board Committee responsible for international extension shall review the district accounting and recommend to the International Board the amount, if any, of future subsidies. (6/91)

- D. Club Obligations and Privileges:** The remotely-located clubs shall pay the dues and other costs to the district and shall be entitled to the same rights and privileges as other clubs. (6/91)

\*Note: “Has knowledge of” may include a nonmember making a club member aware of behavior or actions by another Kiwanian, in which case, such allegation shall be submitted via the club member who has been made aware of it. (10/12) (4/13)

**B. Capacity:** If the accused member is also a district officer or a Kiwanis International officer and the ‘conduct unbecoming’ appears to have been committed in his/her capacity as an officer, or if it is impossible to determine in what capacity the ‘conduct unbecoming’ was committed, the matter shall first be submitted to the Kiwanis International President or the district governor, in that order, as appropriate, who shall determine the capacity and either begin an investigation at the International or District level or refer it back to the club level to investigate and decide. If the President or governor alone is unable to clearly determine the capacity of the allegation, he/she may consult up to two fellow officers as deemed necessary. (4/13)

- C. Allegation Process:** Upon receipt of an Allegation Report, the president shall follow the steps outlined in this procedure. (10/12) (4/13)
- D. Investigator:** Also within seven (7) days of receiving the Allegation Report, the president shall appoint a special investigator, which may be a single individual or a committee (hereinafter referred to as “the Investigator”). The Investigator shall be composed of disinterested club members (that is, those without bias on the allegations or for/against the accused member personally) and shall not include any members of the club board of directors. In the event the president believes no club member has the necessary skills or lack of bias to adequately investigate the subject matter, the president may select a non-club member or non-Kiwanian as the Investigator. If the Investigator charges a fee for his/her services or if the investigation itself involves some costs (such as fees for requesting records, etc.), then such fees/costs must be approved by the board. The Investigator will represent the club throughout the entire investigation, determination, and discipline process, and appeal if any. (10/12) (4/13)
- E. Investigation Process and Initial Notice:** Within fourteen (14) days after being appointed, the Investigator shall endeavor to gather enough information to determine if the allegation is substantive enough to warrant investigation. If so determined, the president or designee shall send written notice to the accused member of the allegation, a copy of the process to be followed, and the possible outcomes, and the investigation shall continue more fully, including a reasonable attempt to interview the accused member and other relevant persons. (10/12)
- F. Investigation Reports:** The Investigator shall provide a progress report to the president within thirty (30) days of appointment. A final written report of the Investigator’s findings (hereinafter referred to as ‘the Investigation Report’) shall be made by the Investigator, signed by all persons who comprise the Investigator, and submitted to the president within 30 days after the initial progress report (no later than sixty (60) days after the appointment of the Investigator), unless there are extenuating circumstances. The Investigation Report shall include an outline of the investigation as well as (1) whether the investigation finds in favor of the accused; or (2) whether the Investigator finds the matter can be resolved without a hearing; or (3) a recommendation of the charges and related specifications to be made against the accused member. (10/12) (4/13)
- G. Charges and Specifications:** A charge sets forth the general offense the accused member is alleged to have committed. A specification states specifically what the accused member is alleged to have done which, if true, constitutes an instance supporting the charge. Charges and specifications must be carefully worded to make no broader allegation than intended or can be supported. An accused member must be found ‘guilty’ of at least one specification in order to be found ‘guilty’ of the related charge, and an accused member must be found ‘guilty’ of at least one charge before a penalty can be imposed. (If necessary, refer to Robert Rules, Section 63 – Investigation and Trial, for more information and examples of charges and specifications.) (10/12)

### 344.2 - Disclosure and Confidentiality

- A. During Investigation:** During the investigation, the president shall not disclose any information regarding the investigation to the public or to any other member of the club, including the club board, until the investigation process is complete, except that, the president may report to the board only that an allegation has been received and an investigation is being conducted, without disclosing the name of the accused member or any details of the investigation. (10/12) (4/13)

- B. After Investigation:** Once the investigation is complete, the president may disclose information regarding the investigation only to the board for a hearing on the matter (and to any club staff who has a need to know), but not to the public or to any other member of the club. (10/12) (4/13)
- C. If Appealed:** In the event the final determination by the board is appealed to the club membership, then information can be disclosed to those members who attend the appeal meeting, subject to the obligation of those club members to keep the information confidential. (10/12)
- D. General:** All materials, facts, and information related to the investigation, determination, and appeal (if any) shall be kept confidential at all times by any parties or persons involved in any part of the process. The person presiding over each step should remind all participants of the need to maintain confidentiality. (10/12)

### 344.3 - Criminal Wrongdoing

If at any time during the investigation, the Investigator discovers criminal wrongdoing or what appears to be criminal wrongdoing, it must be reported immediately to the president, who is then obligated to report the matter to the proper authorities. If the president does not act, then the Investigator is obligated to report the matter to the proper authorities. In any case, the process regarding conduct unbecoming shall proceed to conclusion. (10/12)

### 344.4 – Resignation

An accused member may resign at any time during the conduct unbecoming process, and the club may or may not accept the resignation; however, after investigation, charges and specifications are made against the accused member, then the club is obligated to continue the hearing, determination, and discipline processes through to completion. (10/12) (4/13)

### 344.5 – Board Hearing

- A. Referral to Board:** After receiving the Investigation Report, the President shall refer it to the club board to determine whether to proceed with a hearing. A special board meeting for this purpose shall be held within seven (7) days after the matter is referred to the board, and shall be conducted in executive session (i.e., closed to non-board members). (10/12) (4/13)
- B. Notice of Hearing:** Within seven (7) days after the special board meeting, the president or designee shall send notice to the accused member of the investigation results, including charges and specifications, and whether the board intends to pursue the allegation(s) and proceed with a hearing. If a hearing is to be held, the accused member shall have the option to say nothing or to admit or deny the allegation(s). If denied, the hearing shall determine if the allegation(s) are true. If admitted, the hearing shall determine the resulting discipline. A date for a hearing shall be set in consultation with the accused member, to be held as soon as reasonably possible but no later than thirty (30) days after the accused member receives notice of the allegation. The date shall be set when at least a quorum (which is a majority) of the board members can be present. (10/12)

**C. Temporary Suspension:** If the board intends to proceed with a hearing, the accused member may be temporarily suspended from club membership, pending the outcome of the proceedings. (10/12)

**D. Hearing:** A special meeting of the board, with at least a quorum present, shall be held to conduct a hearing. The only persons allowed to attend the hearing are club board members, the accused member, the Investigator, and any representatives or counsel for the accused or the club (and any club staff as needed). Witnesses are permitted only during their own testimony. The president shall preside; however, if the president is the subject of the allegation or wishes to decline, the board shall determine who presides. If a board member is the subject of the allegation, he/she shall continue to be counted as a board member in determining the number needed for quorum, but will not be allowed to be present during deliberations or to vote at any point in the process. (10/12) (4/13)

At the hearing, the Investigator shall present evidence on behalf of the club, and the accused member shall have the opportunity to present evidence in his/her defense. If the Investigator is a committee, any member of the committee may represent the club at the hearing. The Investigator or the accused member may present evidence through testimony of witnesses. Witnesses shall not be required to swear-in. Either side may question the other or any witnesses. The accused member may testify in his/her behalf, either in person or in written form without being present. The accused member also shall have the right of representation at the hearing by the person of his/her choice and/or by legal counsel, at the member's own expense. Legal counsel may be engaged by the club board to provide advice to the board; however, the role of such legal counsel is entirely separate from the role of the Investigator. Counsel for the club or the accused may be a non-Kiwanian. (10/12) (4/13)

If it is determined that additional time is needed to present evidence not available at the initial hearing, the board may adjourn the hearing and reconvene it later. (10/12)

If the accused member fails to appear for the hearing, it shall proceed without him/her. (10/12)

**E. Hearing Record:** A written record of the hearing (hereinafter referred to as "the Hearing Record") shall be made. The hearing also may be recorded for transcription purposes. The Hearing Record shall include:

- Date, time, and location of the hearing;
- Names of all persons present or participating;
- Nature of allegation(s), including charges and specifications;
- Evidence, including testimony of witnesses;
- A summary of the essential content of all discussions;
- Any findings determined during the proceedings;
- Any motions made or votes taken.

The Hearing Record shall be reviewed and adopted by the board in an executive session at the next special meeting of the board on the subject (see next step) and retained by the club secretary. (10/12)

#### **344.6 –Determination and Discipline (4/13)**

**A. Determination:** Within seven (7) days of conclusion of the hearing – or within no later than thirty (30) days, if extenuating circumstances exist – the board shall hold another special meeting in executive session (attendance limited to board members) to consider

the charges and specifications against the accused member. Each of the specifications, and then the charge, is read, opened to debate, and voted on separately, although the several votes can be collected on a single written ballot. If the accused is found guilty of one or more of the specifications but not of the charge, a lesser charge may be moved and voted on. In each case, a majority vote\* is necessary. If the accused is a member of the Board, he/she shall not have a vote on the matter. (10/12) (4/13)

- B. Discipline:** If the accused member is determined to have engaged in conduct unbecoming as alleged by at least one of the charges, then, by separate majority vote\*, the board shall determine the appropriate disciplinary action, as follows: informal counseling, a verbal reprimand, written reprimand, suspension from office or club membership, or removal from office or club membership. The determination of the discipline should be based on the seriousness of the unbecoming conduct. (4/13)

If the discipline is removal from club membership, a two-thirds (2/3) vote\* is required, per the Standard Form for Club Bylaws. For all other discipline, a majority vote\* is required. If the accused member is a member of the board, he/she shall not have a vote on the matter. (10/12)

\*Each of these votes refers to those board members present and eligible to vote. (10/12)

Note: If the discipline is determined to be suspension, and if the member was previously suspended, then the time the accused member has already been temporarily suspended may be credited toward the discipline. (10/12)

- C. Board Report:** Within seven (7) days of conclusion of the special meeting, the board shall produce a written report of its findings, conclusions, and decision(s) (hereinafter referred to as “the Board Report”), which shall become part of the club record on the matter. The board report shall include a copy of the Hearing Record, as reviewed and adopted by the board. A copy of the Board Report shall be provided immediately to the accused member and the investigator. The club membership shall be informed of the board’s decision(s) on the matter, but other details from the Board Report shall remain confidential unless needed during a subsequent appeal of the board’s decision(s) to the membership. (10/12) (4/13)

#### **344.7 – Due Diligence (4/13)**

As stated in the Kiwanis International bylaws: “A club shall discipline any member whose conduct is determined to be ‘conduct unbecoming a member of the Kiwanis family,’ or else the club shall be considered out of compliance with acceptable standards of Kiwanis International and may have its charter suspended or revoked as provided in the Kiwanis International Bylaws.” (10/12)

Therefore, if an accused member is determined to have engaged in ‘conduct unbecoming,’ some form of discipline must be given for the club to have properly completed due diligence on the matter. (10/12)

#### **344.8 – Reinstatement of membership (4/13)**

If the charges against the accused member are not substantiated by the hearing or, if substantiated, then after discipline has been completed by the accused member (other than removal from membership), the accused may be reinstated to membership in the club. (10/12) (4/13)

### 344.9 – Appeal

- A. Request for appeal:** Within thirty (30) days of the Board Report being provided to the accused member and the investigator, either party has the right to appeal the board's decision(s) to the club membership. Such appeal must be made in writing to the president (or secretary, if the president is accused) and must state the specific reason(s) for the appeal. Either party may appeal either the board's finding that 'conduct unbecoming' did or did not occur or the resulting disciplinary action. (10/12)

An appeal may **not** be used to "re-try" the allegations against the accused member, and no new facts that were reasonably accessible at the time of the hearing will be allowed. An appeal will be allowed only if some part of the process or facts used to determine the board's decision(s), the Hearing Record, or the board's report is alleged to be faulty, incorrect, insufficient, or otherwise erroneous, or if the decision of the Board was contrary to the overwhelming weight of the evidence. (10/12) (4/13)

- B. Appeal Process:** If a written notice of appeal is received by the club president (or secretary, if the president is accused), the board shall call a special appeal meeting of the club membership to consider the appeal within thirty (30) days, provided at least fourteen (14) days advance notice of the meeting is given to the club membership. Any person who is not a current club member in good standing shall be excluded from the meeting. The accused member, investigator, and counsel for either side shall be excluded from the meeting, even if they are club members. All materials and information provided to the club membership shall remain confidential among those attending. At least a quorum of the membership (which is one-third) must be present at the appeal meeting. The president shall preside; however, if the president is the subject of the allegation or wishes to decline, the board shall determine who presides. The materials to be considered for the appeal shall be the Hearing Record, the Board Report, and the appellant's basis for appeal. Members may ask only questions that are relevant to the appeal, and relevancy shall be determined by the presiding officer at the appeal. (10/12) (4/13)

- C. Permitted Motions:** Only two separate and specific types of motions may be made during the appeal meeting by a club member in attendance, as follows: (4/13)
1. Regarding the board's original determination of 'conduct unbecoming': move **either** to uphold the original decision; **or** they may move to overturn the original decision. Other motions are out of order.
  2. Regarding the resulting disciplinary action, if any was given and if any is still in order: move **either** to uphold the board's original discipline; **or** they may move to overturn the board's original discipline and change it to some other disciplinary measure(s) which must be specified as part of the motion. Other motions are out of order.

Any motion shall require a majority vote of those present and eligible to vote to adopt. (10/12)

- D. Final Authority:** The decision of the club membership on the matter shall be final. (10/12)

- E. Appeal Record:** A written record of the appeal meeting of the club membership (hereinafter referred to as the "the Appeal Record") shall be made, similar to that for the Hearing Record, and shall be reviewed and approved by the club board and retained by the club secretary. (10/12)

### **344.10 – Official Records, Notification, and Separate Disciplinary Action**

**A. Official Records:** The club shall retain all official records on the matter in a confidential file, as long as required by applicable law. Official records are: the Allegation Report, Investigation Report, Hearing Record, Board Report, and Appeal Record if any. (10/12) (4/13)

**B. Notification of Kiwanis International:** A copy of all official records shall be sent to the Executive Director of Kiwanis International within thirty (30) days of the conclusion of all proceedings to retain in a confidential file. This provides documentation that the club completed due diligence regarding the allegation, as well as a safeguard against club records being lost or destroyed at a later date. (10/12) (4/13)

If the member was disciplined by the club in any way for ‘conduct unbecoming’ and if he/she is also a Kiwanis International officer, Kiwanis International may take separate disciplinary action against the member as it deems appropriate. (4/13)

**C. Notification of District:** If an accused member is removed from the club for ‘conduct unbecoming’, the club shall so notify the district governor. (10/12) (4/13)

If the member was disciplined by the club in any way for ‘conduct unbecoming’ and if he/she is also a district officer, Kiwanis International shall send a copy of the official records on the matter to the district governor, and the district may take separate disciplinary action against the member as it deems appropriate. (4/13)

**D. Notification of Other Clubs:** If the member was disciplined by the club in any way for ‘conduct unbecoming’ and he/she also belongs to another Kiwanis club(s), Kiwanis International shall send a copy of the official records on the matter to the president(s) of the member’s other club(s) and each club may take separate disciplinary action against the member as it deems appropriate. (4/13)

### **344.11 – Parliamentary Authority**

The most recent edition of Roberts Rules of Order shall be the parliamentary authority for all procedural matters related to investigation, determination, discipline, and appeal (if any) for ‘conduct unbecoming’ which may not be specifically covered in Kiwanis governing documents, including but not limited to this procedure. (In the 11th edition of Roberts Rules, see Section 63 – Investigation and Trial). In the event of any inconsistency between Kiwanis governing documents and Roberts Rules, the Kiwanis provisions shall prevail. (10/12)

### **345 – GRACE PERIOD FOR MEMBERSHIP DELETIONS**

A club may make deletions to its official September 30 membership roster up to 10 days after the end of the administrative year. Deletions made by October 10 will be counted toward the previous administrative year’s membership total. (10/13)

## **CLUB MEETINGS**

### **346 – INTER-CLUB MEETINGS (1/13)**

An inter-club meeting is one which is held by two or more Kiwanis clubs (including clubs "in formation") or by a Kiwanis club and any Builders Club, Circle K club, Key Club, Aktion Club, and K-Kids club. (10/85) (1/12)

- A. For clubs having a membership of twenty (20) or less members, a minimum of two (2) members in attendance will be required to constitute an Inter-club meeting. (4/04)
- B. For clubs with a membership of twenty-one (21) to thirty (30) members, a minimum of three (3) members in attendance will be required to constitute an Inter-club meeting. (4/04)

### **347 - CLUB MEETING ATTENDANCE AND PARTICIPATION RULES (1/13)**

#### **347.1 – Perfect Attendance Make-up Credit Opportunities (1/13)**

If a club wishes to encourage or acknowledge perfect attendance among club members, it is suggested that members who miss a club meeting be given make-up credit by the club when the member attends any of the following activities instead. Each club may adjust this list of suggest make-up credit opportunities at its discretion. (6/91) (1/13)

- A. A regular or special meeting of any Kiwanis club. (6/91) (1/13)
- B. A regular meeting of the member's club board of directors. (6/91) (4/99)
- C. A meeting of a committee of the member's club. (4/99) (1/13)

- J. A visit to the Kiwanis International Office or a district office. (6/91) (1/13)
- K. Credit for each regular meeting missed as a result of performing jury duty. (6/91) (1/13)

#### **347.2 - Leave of Absence**

- A. **Dues Requirement:** A leave of absence excuses a member from attendance requirements but does not eliminate the dues required for membership. (6/91)
- B. **Conditions:** Upon formal request and by a vote of two-thirds (2/3) of the entire board of directors, a member may be granted a leave of absence for a period of not less than thirty (30) days but not exceeding six (6) months for conditions as follows:

1. When confining illness will prevent attendance; (1980)
2. When special and/or temporary business conditions, professional assignments, or travel will prevent regular attendance; (1980)
3. When military service removes a member beyond his/her own club area. (1980)

Such leaves of absence may be renewed for additional six-month periods during the time that such conditions exist. (6/91)

- C. Member Moving:** Upon formal request, and by a vote of two-thirds (2/3) of the entire board of directors, a leave of absence may be granted when members move their residence and/or community interests beyond the club area. This leave of absence provides the member an opportunity to become affiliated with another Kiwanis club in the new location while retaining membership in the present club. Kiwanis clubs are urged to use such leaves of absence to retain members in Kiwanis. Such leaves of absence terminate when the member affiliates with another club or at the end of a one-year period from the time the leave of absence is granted, whichever is earlier. (6/91)
- D. Member Serving in a Legislative Capacity:** Kiwanians serving in a state, provincial, national, or comparable legislative capacity, while attending legislative sessions or meetings, shall not be subject to the attendance requirements of active members and shall remain in the good standing of their club while rendering such legislative services. No attendance credit shall be given to the member serving in such capacity, and for club attendance reporting purposes as provided in this procedure, the member shall be considered as having a leave of absence. (6/91)

### **347.3 - Perfect Attendance Tabs**

Attendance tabs denote years of perfect attendance rather than consecutive years of perfect attendance.

Upon completion of any twelve consecutive months of perfect attendance, an appropriate attendance tab should be presented by the club to its member. (6/91)

For perfect attendance tab purposes, the member has the opportunity of making up the number of leave of absence meetings either before such leave takes effect or upon resumption of attendance at club meetings for a period equal to the leave of absence. Otherwise, perfect attendance tabulations resume at the end of the leave of absence without loss of weeks already accumulated. (6/91) (4/01)

### **347.4 - Certificate of Attendance**

A visiting Kiwanis member should be given a certificate of attendance, signed by the club secretary. To receive an attendance credit for visiting another Kiwanis club, the Kiwanis member should present to the member's club secretary a signed certificate or other proof of attendance. The responsibility for obtaining such a certificate rests with the visiting club members themselves. (6/91)

As stated in the International Bylaws, a club shall discipline any member whose conduct is determined to be 'conduct unbecoming a member of the Kiwanis family,' or else the club shall be considered out of compliance with accepted standards for Kiwanis clubs and may have its charter suspended or revoked. (10/12)

### **360.5 - Notice to Clubs**

A copy of Procedure 360 - Club Status shall be included in the annual club and district officer's guidebooks and/or manuals. (1980) (10/98)

### **361 - CLUB MERGER OR RESIGNATION**

#### **361.1 - Merger of Clubs**

For Kiwanis clubs to merge, both clubs must be free of indebtedness to Kiwanis International and the district. New officers must be elected. The club must determine the day, time, and place of club meetings, which charter will be retired, and which key number will be retained. The club must also resolve the transfer of funds and the sponsorship of sponsored programs clubs. The club that is retiring its charter must dissolve its corporate status. (10/96)

When all administrative details are satisfied, the other club charter may be retired by action of the Executive Director. (6/91) (10/96)

No new member fee will be charged for members of the club whose charter is being retired. (6/91) (1/01)

#### **361.2 - Resignation of Club Charter**

The necessary steps for resignation of the charter of a club are found in the International Bylaws. (10/91)

See also Procedure 363.2 - Club Charter Reinstatement, after a club has resigned its charter (or had its charter revoked). (1/99)

### **362 - CHARTER SUSPENSION (1/13)**

When a club charter has been suspended by the International Board, all of the club's rights and privileges as a Kiwanis club cease during such period of suspension. The Board will revoke the charter of a club that has had its charter suspended for more than eight (8) months per Procedure 360.3.D. Upon written request of the district board of trustees, charter revocation will be considered within the six-month period. (6/91) (10/04)

### **363 - CHARTER REVOCATION**

#### **363.1 - Charter Revocation**

When a club charter has been revoked by the International Board (in accordance with International Bylaws, Article IV, Section 2), all of the club's rights and privileges as a Kiwanis club are terminated and the club ceases to exist at that time and has no status at any administrative level. The club continues in this status during any appeal as prescribed in the International Bylaws. Upon the revocation of a club charter, the charter shall be sent to the Executive Director. (6/91) (1/99)

## INTERNATIONAL EXTENSION

### 370 - PRIMARY THRUST OF INTERNATIONAL EXTENSION

The primary thrust of Kiwanis in international extension shall be to build new clubs in approved areas and to strengthen existing clubs. (7/88)

### 371 - WHERE CLUBS SHALL BE PERMITTED TO EXIST

Clubs shall be permitted to exist only in nations or geographic areas which permit individuals the freedom of assembly, expression, and action necessary for a Kiwanis club to function in accordance with the Bylaws, Policies, and Procedures of Kiwanis International. (7/88)

Until such time as an authorized nation, part of a nation, or group of nations becomes a district in formation, the Executive Director shall approve each prospective site prior to new club building in that area. This approval shall be based upon a reasonable expectation for the political, social, and economic stability that would be required for compliance with this Procedure. (6/92)

(See also Procedure 376 - Nations Authorized for New Club Building.)

### 372 - GUIDELINES FOR ORGANIZING THE FIRST CLUB IN A NEW COUNTRY OR AREA

#### 372.1 - All Areas

The following guidelines are to be used when consideration is given to establishing Kiwanis in a new country or area. Individual circumstances may require some variances. These guidelines are to be used to implement the long-range extension plan as approved by the International Board. (7/88)

- A. Assessment:** A comprehensive assessment shall be completed by staff on any prospective Kiwanis nation or area prior to final International Board review, including determination of the following: growth potential, political climate, monetary policy, economic factors, geographic location, language, cultural factors, proximity to existing Kiwanis clubs, communications and education factors, presence of other service clubs, availability of qualified new club building representatives, and ability of Kiwanis International and/or a district to service the club. (7/88) (1/98)
- B. Compliance:** There must be compliance with all new club building requirements as set forth elsewhere in these Procedures. (6/91)
- C. Currency:** The currency situation in any new country or area must be such that dues and other funds can be forwarded to the International Office without undue difficulty, or, if this is not possible, that: (1) Kiwanis can maintain a bank account in its own name in that country or area controlled by a fiscal agent as provided in Procedure 374.3 - Club Payments; and (2) a plan has been prepared by staff showing how the deposited funds can be utilized by Kiwanis International. (See also Procedure 374.2 - Deposit of Funds.) (5/83) (7/88)
- D. Economy:** Kiwanis clubs shall be organized only in those countries or areas in which the economy provides enough income to afford membership in a service club and a sufficient number of business and professional persons to support the five Kiwanis clubs specified in Procedure 372.2.B. (5/83)

(See also Procedure 373 - New Club Building in International Extension Areas.)

### **372.2 - Special Criteria for Nondistricted Areas**

- A. Visitation:** A prospective Kiwanis nation or area should be visited by a member of the International Board or staff prior to Board authorization of extension. During this visit, a meeting should be held with prospective members of the first club(s) to verify information previously gathered on the prospective nation or area and to ensure that the responsibilities of Kiwanis membership are fully understood. (7/88)
- B. Growth Potential:** There should be at least five (5) communities of sufficient size for additional clubs to be organized in the general area or vicinity in which the first club in a new Kiwanis country or area is to be organized. (5/83) (7/88)

It shall also be the responsibility of the sponsoring club to assist Kiwanis International in opening a bank account in the name of Kiwanis International in the city in which the club is located. This account shall be the designated account into which the club shall make all payments to Kiwanis International. (10/91) (10/96)
- B. Currency Restrictions:** In the event the new club is in a country that has currency restrictions, the sponsoring club or clubs shall also be responsible for assisting Kiwanis International with opening a bank account in United States dollars (euros in Europe). (10/91) (9/99)

## **SECTION 400: SERVICE**

(This section revised per K.I. Board action as of July 2017)

### **SERVICE PROJECTS**

#### **400 - DEFINITION OF A SERVICE PROJECT**

A service project is an activity consistent with the Objects, objectives, and Policies of Kiwanis International, devised or planned by a Kiwanis club or a club committee, and performed by club members for the benefit of others. (1980) (10/96)

#### **401 - COMMUNITY SERVICE ACTIVITY**

##### **401.1 - Guidelines for Community Service Activities (1/13)**

- A. Endorsements:** A Kiwanis club should not make a practice of endorsing projects, no matter how meritorious, unless the club is willing and prepared to assume its full share of the responsibility for the accomplishment of that which it endorses. (5/93)
- B. Nature:** Community service activities requiring Kiwanis members' time and effort are more in accord with Kiwanis service ideals than activities requiring only that the club make a monetary contribution. (1980) (10/96)

##### **401.2 - Service Projects That Take More Than One Year to Complete**

The current club board of directors cannot bind future boards. If a club wishes to undertake a project that will continue beyond one administrative year, an affirmative vote of the club membership commits the entire club, including succeeding boards of directors, to continue the project until it is completed, or until the club membership reverses its original action. (5/93) (1/13)

##### **401.3 - Annual Service Goals and Objectives**

The development of worldwide understanding, friendship, peace and goodwill, and the betterment of mankind are specific objectives of Kiwanis service. Clubs will investigate the needs of their communities and develop appropriate service projects to meet those needs. Any identified need merits consideration; however, clubs will give first consideration to three service areas: sponsored programs, Young Children: Priority One, and services to youth. (5/93) (4/97)

#### **402 - SUPPORT FROM KIWANIS INTERNATIONAL FOR CLUB SERVICE ACTIVITIES (1/13)**

Kiwanis International has a responsibility to encourage and guide its clubs in developing effective service projects. Its primary responsibility is to provide clubs with methods and materials for identifying the greatest needs within their communities and responding with projects that address those needs. (5/96)

To assist clubs in developing projects that address common needs, Kiwanis International provides lists of project ideas, success stories from clubs, sources of additional information, and contact information on other organizations. The project ideas offered in these forms come from clubs, other organizations, and staff research. Staff provides this ongoing support, consulting with International Committees when possible. (5/96)

## WORKING WITH OTHER ORGANIZATIONS

### 410 – CORPORATE PARTNERSHIPS

#### 410.1 – Corporate Partnership Agreements

Kiwanis International will document all partnerships that include marketing benefits in an agreement. Kiwanis International will generate partnership agreements and create a master document with detailed and consistent language that protects Kiwanis' best interests and prevents discrepancies among Corporate Partners. (4/12)

Partnership agreements shall specify all rights, benefits, terms and conditions of each corporate partnership, as outlined in Kiwanis International's Corporate Marketing Packaging Strategy and Policies. (4/12)

Partnership agreements shall include: (4/12)

- A. Property Definition.** Define the property with which the corporate partner is affiliating, whether it is a specific event, program, campaign or initiative. (4/12)
- B. Level of Acknowledgment.** Specify the level of recognition a corporate partner receives, ensuring that recognition of the corporate partner is proportionate to fees paid. Higher paying partners will receive more recognition as well as benefits not available to lower-paying corporate partners. (4/12)
- C. Kiwanis International's Role.** Kiwanis International will commit its resources to maximize the success of the specific event, program or initiative for both Kiwanis and its corporate partners. However, under no circumstances will Kiwanis be obligated to exert any influence to advance a corporate partner's other corporate interests as part of the partnership, either written or implied. (4/12)
- D. Mark/Logo Use.** Kiwanis International will retain total control of its marks/logos and corporate partner use of those marks/logos. Marks, logos and designations, such as "Vision Partner" or "Service Leadership Program Co-Sponsor," that partners can use in their packaging, advertising and/or promotions around their sponsored program or initiative will be approved by Kiwanis International. (4/12)
- E. Promotional Parameters.** Kiwanis International will specify the geographic territory (nationwide or within a specific market); scope (internal to employees only or external to general public or both); and time frame (year-round or multi-year) for which the partner can promote its affiliation with Kiwanis. (4/12)

- F. Ownership/Control.** Kiwanis International retains ownership and total control of all Kiwanis-themed promotions and materials. The policies, properties and integrity of Kiwanis International must remain entirely unaffected by any partnership. (4/12)

All materials produced by Kiwanis International for a corporate partnership program are under the sole ownership of Kiwanis. Any use of these materials by the corporate partner outside of the expressed terms of the partnership agreement requires written permission from Kiwanis International. (4/12)

- G. Resource Commitments.** Kiwanis International's marketing partners' financial commitments will be unrestricted and are to be used at Kiwanis' discretion, with the exception of pre-approved, budget-relieving, in-kind products or services (e.g., airline tickets) or added-value products or services (e.g., media commitment). Payments will be detailed to ensure full value is delivered. All companies that receive approved marketing benefits must compensate Kiwanis International for the marketing rights in the form of a rights fee (cash or budget-relieving in-kind) or promotional guarantee. (4/12)

Kiwanis International will determine in advance the method for valuing in-kind products or services (e.g., in-kind airline tickets should be valued at the rate Kiwanis would customarily pay for these tickets). Kiwanis International must be allowed to use in-kind products or services for its own purposes or for corporate partner promotions. (4/12)

- H. Expenses.** Each corporate partner must pay all expenses for implementing its own promotions (e.g., product/literature distribution, direct mail, etc.). Kiwanis International will pay to deliver benefits outlined in its partnership proposal/agreement to the partner (e.g., signage and hospitality). (4/12)

- I. Category Exclusivity.** Kiwanis International will specify there is either no category exclusivity or define the extent of exclusivity to the specified package. (4/12)

- J. Logo Approval Process.** Kiwanis International and its partners have the right to use each other's marks and logos with pre-approval. Each corporate partner will be provided a style guide that depicts the designated Kiwanis and/or specific event, program or initiative marks/logo/designations/tag lines and guidelines for usage in packaging, advertising and promotions. (4/12)

- K. Promotional Approvals.** Kiwanis International shall have complete editorial control over all partner-created marketing materials. In every case, all materials in print, broadcast or electronic media prepared by the corporate partner, including promotional pieces, ad copy and artwork, must be submitted to Kiwanis for pre-approval in writing prior to release. (4/12)

Kiwanis and its partners shall disclose the nature of their marketing relationship at/in all events/activities, materials and promotions when applicable. Proprietary or confidential information of the corporation is not disclosed. (4/12)

If any solicitation by the corporate partner in conjunction with the sale of the corporate partner's goods or services states or implies that a portion of the sales price will benefit Kiwanis International or specific event(s), program(s) or initiative(s), such solicitation shall include: (4/12)

- The Kiwanis International logo (which may be in conjunction with a specific program or initiative name, when applicable). (4/12)

- Language that states that proceeds to Kiwanis International will be used to support Kiwanis International activities and/or activities related to a specified event, program or initiative. (4/12)
  - Details on the amount or percentage of funds to be donated by the corporate partner, minimum guarantee, and if there is a donation cap.
- L. Assignment/Third-Party Promotions.** Corporate partners are not allowed to assign rights or conduct third-party promotions without Kiwanis International's approval. Terms permitted will be detailed in writing. (4/12)

All local, state, provisional, and federal laws regarding reporting must be followed. ### 721.6 - Investment Management Policy

(9/99)
- C. **Adherence to Investment Discipline** - Investment managers are expected to and must adhere to the investment management styles for which they were hired. Managers will be monitored for adherence to investment discipline. (9/99)

### 721.7 - Investment Objectives

In order to meet its needs, the investment strategy of Kiwanis International is to emphasize total return; that is, the aggregate return from capital appreciation and dividend and interest income. (9/99)

Specifically, the primary objectives in the investment management for assets shall be long-term growth of capital: To emphasize long-term growth of principal while avoiding excessive risk. Short-term volatility will be tolerated in as much as it is consistent with the volatility of a comparable market index. (9/99)

The secondary objective in the investment management of assets shall be growth and income: To achieve a balanced return of current income and modest growth of principal. (9/99)

### **721.8 - Specific Investment Goals**

Over the investment horizon of ten (10) years (see 721.14.B), it is the goal of the aggregate assets to achieve a target rate of return of 9%. (9/99) (4/10)

The investment goals above are the objectives of the total assets, and are not meant to be imposed on each investment account. The goal of each investment manager, over the investment horizon shall be to: (9/99)

- A.** Meet or exceed the market index, or blended market index, selected and agreed upon by Kiwanis International that most closely corresponds to the style of investment management. (9/99)

Specific investment goals and constraints for each investment manager, if any, shall be incorporated as part of this statement of investment policy. (9/99)

### **721.9 - Definition of Risk**

The Board of Trustees realized that there are many ways to define risk. It believes that any person or organization involved in the process of managing the Kiwanis International investments understands how it defines risk so that the assets are managed in a manner consistent with the objectives and investment strategy as designed in this statement of investment policy. ### **721.10 - Volatility of Returns**

Kiwanis International understands that in order to achieve its objectives for the assets, they will experience volatility of returns and fluctuations of market value. Therefore, Kiwanis International supports an investment strategy that minimizes the probability of losses greater than the specific benchmark. However, it realizes that the portfolio's return objective is its primary concern. There is, of course, no guarantee that the portfolio will not sustain losses. (9/99) (4/08)

### **721.11 - Liquidity**

To minimize the possibility of a loss occasioned by the sale of a security forced by the need to meet a required withdrawal, Kiwanis International will periodically provide the advisors with an estimate of expected net cash flow.
